

# ACCOMMODATIONS

**Arrah Wanna's** year-round facility is located on 132 acres of native forest, bounded by the Salmon River and Wildwood Recreation Area. The main lodge dates back to 1922, and provides a beautiful setting from which to leave the cares of the world behind. Our lodging capacity is 263 winterized units, ranging from economy cabins to six motel-style rooms.

Those seeking a break from their busy lives will enjoy the solitude found while hiking through the woods, or enjoying a cup of coffee from the front porch.

Serving the non-profit community, Arrah Wanna offers an ideal setting for camps and retreat requirements. Space is available to meet the needs of both large groups, and intimate team building activities. Camp can be reserved in a variety of ways; accommodations and meeting rooms are assigned based on group size and needs. Call for specific minimums required for each area.
